

▲ FLEX ROOF ATTACHMENTS

▲ ART NO: 914123, 914125, 914124

FLEX EAVE BRACKET

(ART NO 914123)

FLEX EAVE BRACKET W. COUNTERHOLD

(ART NO 914125)

FLEX ROOF GABLE BRACKET

(ART NO 914124)

▲ ADJUSTABLE BRACKET

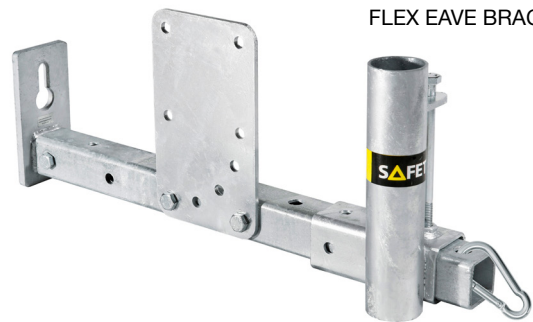

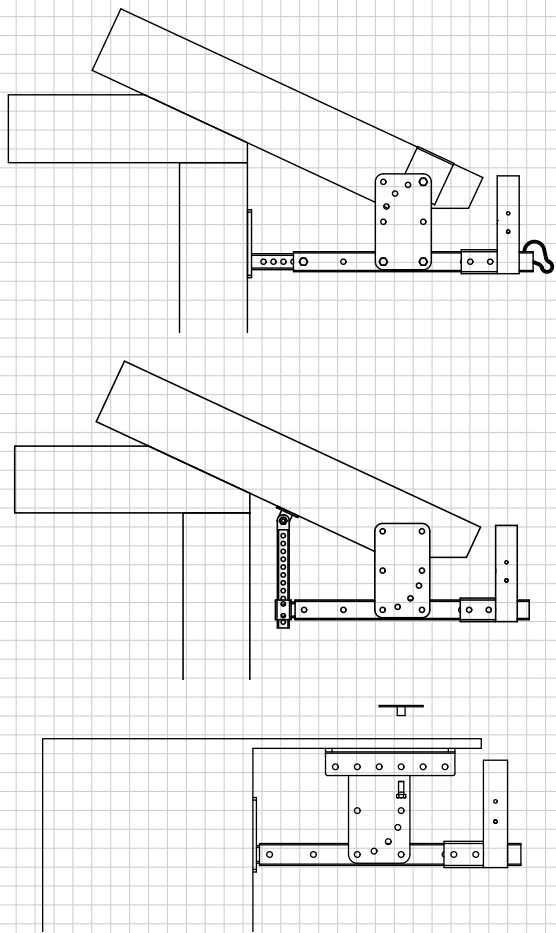

▲ CONFIGURED AS NEEDED

▲ ROBUST AND HEAVY-DUTY

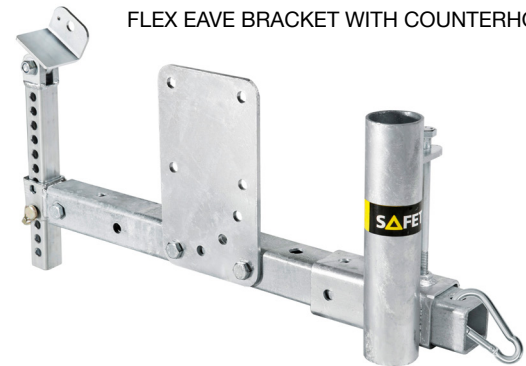

▲ HOT DIP GALVANIZED COMPONENTS

▲ WEIGHT FROM 5,1 KG

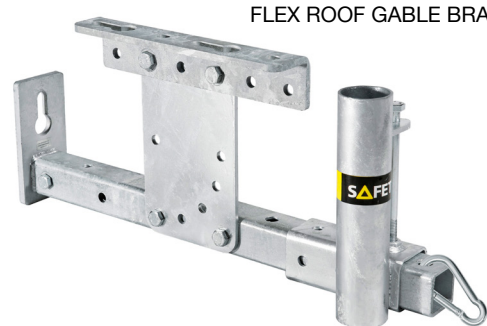

The roof attachments are included in the Flex System, which is modular and adaptable with solutions for different needs. The attachments provide a free working surface. During the work the distance between the facade and barrier is easily adjustable. One variant that is available is the Roof gable bracket. Please find more information in our user's manual.
